

## NYNGA Website Map of Significant Nut Tree Plantings in New York State

Use the accompanying form to supply Colleen Green, our Website Manager, with the information necessary to prepare and maintain an online map of NYS that will show interested website visitors where there are significant nut tree plantings available for visitation.....sort of a "do it yourself Nut Tree Trail" planner. Return your "nominations" to: Colleen Green, P.O. Box 88, Retsof, NY, 14539 (On the back of the form supply your name and contact information. Of course, you can "nominate" your own plantings.)
